Painless PLUS+ Night Glu

PAINLESS NIGHT GLU PLUS+

Combined Use With Painless
Night Glu – The Power Duo Effect!

Painless Night Glu Plus+ provides support, comfort, and flexibility in joints and surrounding areas with its advanced formula. Thanks to natural minerals, herbal extracts, and innovative active ingredients, it supports your body's natural balance mechanism while delivering a continuous effect throughout the night.

BOX CONTENT

- CONTAINS 16 SINGLE-USE PATCHES

ADVANTAGES

- Effective joint support throughout the night
- Paraben-free and gentle on the skin
- Long-lasting comfort (24–48 hours)

DIRECTIONS FOR USE

- Clean and dry the target joint area.
- Open the package and remove the protective film.
- Apply the patch directly to the skin.
- Use for 24–48 hours.
- After use, gently clean the area with soap and water.
- For external use only. Do not apply to damaged or irritated skin.

Targeted Effect for Joint Areas

Each patch is designed to provide long-lasting support for joint areas.

Its special formula releases active ingredients through the skin overnight, offering regional comfort and relaxation:

- **Tourmaline & Germanium:** Supports circulation through negative ion effect and enhances energy balance in joint areas.
- **Red Ginseng Extract:** Contributes to cell regeneration and supports natural vitality.
- **Magnesium:** Provides a sense of relaxation in the muscle and joint system.
- **Omega-3 & Krill Oil:** Contributes to tissue elasticity.
- **Menthol & Capsaicin:** Provides a soothing and refreshing hot-cold sensation.

For maximum benefit, it is recommended to use it together with Painless Night Glu.

When used together:

- Painless Night Glu provides general support for quality of life, while
- Painless Night Glu PLUS+ delivers deep, targeted action specifically in joint areas.
- This dual 48-hour support contributes to the body's renewal process and helps you feel more comfortable, especially in the morning.
- The two products form a "powerful duo" that complements each other.
- When used together, they create a synergistic effect.

MACHINE

Add to your detergent in the main wash compartment. Add 100 g for tough or set-in stains and 50 g for normal stains per wash.

Always follow the washing instructions on the garment or fabric label. Test on an invisible area of the fabric to make sure the colors are intact. Rinse and leave to dry. After each use, reseal the lid and store the can in a cool, dry place. When soaking, make sure that the powder is completely dissolved in the water before soaking the garment. After washing or treating with the powder, dry away from direct heat sources and direct sunlight. It may be necessary to repeat parts of the process for best results. Do not use on laundry that requires dry cleaning. Do not use on any garments or rugs made of wool, silk or leather. Do not use on finished or coated surfaces (e.g. wood, metals, etc.) Do not pour directly onto metallic parts of your laundry (zippers, buttons, etc.). Do not soak fabrics with metal fasteners or flame-resistant coatings. Do not expose pre-treated or soaked laundry to direct sunlight or heat without thorough rinsing or washing. Do not allow the product to dry on the laundry (maximum soaking time should be 5 minutes). Avoid contamination of the product. Do not leave the solution in a closed container after mixing, as it may continue to release oxygen and pressure may build up in the container.
